| <b>Document no.</b> | CE-BMS-DIGITAL-CAMERAS | <b>Revision</b>      | Version 02 |
| <b>Manufacturer</b> | BMS Microscopes b.v.   | <b>Date of issue</b> | 29.07.2026 |

### Manufacturer

BMS Microscopes b.v.  
Essebaan 50  
2908 LK Capelle aan den IJssel  
The Netherlands

### Sole responsibility

This EU Declaration of  
Conformity is issued under  
the sole responsibility of  
the manufacturer.

### Object of the declaration

Non-medical digital microscope camera sets, document cameras and integrated camera/display systems intended for image acquisition, display, recording, streaming and analysis in education, laboratory, research and general observation applications. The products covered are identified in Appendix I.

### Declaration

The object of the declaration described above is in conformity with the applicable Union harmonisation legislation specified below, subject to the model applicability stated in Appendix I:

- 2014/30/EU - Electromagnetic Compatibility Directive (non-radio models)
- 2014/53/EU - Radio Equipment Directive (models incorporating WiFi)
- 2011/65/EU - RoHS Directive, including Commission Delegated Directive (EU) 2015/863
- 2014/35/EU - Low Voltage Directive (supplied external mains power supplies only, where applicable)

### Standards and technical specifications

- **Non-radio cameras:** EN 55032; EN 55035.
- **WiFi cameras:** EN 300 328; EN 301 489-1; EN 301 489-17; applicable electrical safety and RF exposure standards; applicable RED cybersecurity standards.
- **All electrical models:** EN IEC 63000:2018.
- **External mains adapters:** Standards stated in the adapter manufacturer's valid EU Declaration of Conformity and supporting technical documentation.

### Signature

Signed for and on behalf of BMS Microscopes b.v.
